AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Office Action dated March 12, 2002, please amend the above-identified application in the following manner. A request for a three-month extension of time accompanies this response.

IN THE CLAIMS

Please amend claims 1, 17, 18, 22, 54, and 58 to read as follows:

A2
sub B1

1. (Amended) A coating comprising:
a first coating surface having crystallinity;
a second coating surface; and
at least one breaker layer located between the first and second coating surfaces, the breaker layer configured to interrupt a crystal structure of the coating.

A2

17. (Amended) A coating, comprising:
a substantially crystalline first layer comprising antimony doped tin oxide, the first layer having a thickness of about 1200 Å to about 2300 Å;
a substantially crystalline second layer deposited over the first layer, the second layer comprising fluorine
